

ICSSER SPONSORED

14 Days International Faculty Development Programme (Hybrid Mode)

On

Enhancing Research and Innovation in Higher Education Through AI

INTERNATIONAL CENTRE
FOR SOCIAL SCIENCE AND EDUCATIONAL RESEARCH

8th July to 21st July 2025

Organized by

BHARGAVA Foundation for Research and Education, Dhanbad, Jharkhand

In Association with
B. B. Kishan College, Jalah, Assam

&

Department of Home Science, Govt. Bilasa Girl's Postgraduate Autonomous College, Bilaspur (CG)

Foundation for Research and Education

Objectives of the programme

To explore and implement the transformative potential of Artificial Intelligence (AI) in advancing research capabilities, fostering innovation, and improving the overall academic ecosystem in higher education institutions. This includes leveraging AI tools to enhance data analysis, streamline research processes, support interdisciplinary collaboration, and cultivate innovative teaching and learning environments that align with emerging global trends

For Whom

The programme is designed for educators and researchers associated with business schools, universities, colleges, and technical and professional institutes, either working or willing to work in the field of management. The programme is also open for individuals teaching in staff training colleges, training centers of industrial organizations, and staff training institutes of central and state governments that teach business management and allied subjects. It is particularly suited for educators, researchers, and entry-level industry professionals willing to strengthen their understanding of current trends in management and social science research.

Faculty, Research Scholars & Student Who Intend To Take Up The Role Of Educators Would Also Benefit From The Programme.

Certification

All Faculty, Research Scholar and Students who successfully completed this program will get Certificate of Participation & Kit

Programme Content

The programme consists of the following topics:

- ❖ Philosophical Reflections on AI and the Future of Humanity
- ❖ IPR Awareness and Protection in Artificial Intelligence driven Academic Research:
Challenges and Opportunities
- ❖ Smart campuses and ICT infrastructure in NEP implementation
- ❖ AI and Academic Research: Tools, Trends, and Transformations
- ❖ An Integrated Approach to Language Teaching and Reading Strategies
- ❖ Innovative Teaching and Curriculum Development

Duration and Time, Important Deadlines, and Fees

Dates: July 08 to July 21, 2025

Time : 03:00 PM to 05:00 PM

Program fee: **2000/-**

Fee with group discounts (3 minimum participants from an organization) - **1500/-**

Last date for application: June 30, 2025

Last date for payment of fees: July 01, 2025

08/07/2025

Dr. Hasen Ali Ahmed

Co-Ordinator, IQAC and Assistant

Professor of Philosophy,

Indira Gandhi College, Boitamari, Bongaigaon (Assam)

Topic:

Philosophical Reflections on AI and the Future of Humanity

11/07/2025

Anupam Sinha

Amity Law School, Amity University, Patna

Topic:

AI and Academic Research: Tools,

Trends, and Transformations

19/07/2025

Dr. lai Yee Win,

Lecturer, English for Academic Purposes Program

British University College, Yangon, Myanmar

Topic:

An Integrated Approach to Language

Teaching and Reading Strategies

21/07/2025

Dr. Seema Mishra

Assistant Professor of Home Science,

Head, PG Dept. & Research Centre, Home Science, Govt.

Bilasa Girl's PG Autonomous College Bilaspur (CG)

Topic:

Innovative Teaching and Curriculum Development

About ICSSER

ICSSER is a culmination of like-minded eminent researchers who joined together to build and strength research across Asia, the Largest continent pooling in experts from more than 50 countries. Asia is very popular for its rich heritage and culture. Though having such credentials there still exists a gap in practical application of the results. This techno friendly world has open up sample opportunities for connecting researchers of the sae in science in the recent two decades cross border research collaboration has double up. The techno progressive culture has facilitated researchers expand their horizons connecting online. The intense motivation drive behind this intellectual gathering is the promoting research across Asia. This will be research replica platform where researches conducted in one country can be conducted with necessary adaptation in other countries of Asia through the members of this Association. The research works will gain wide recognition, authenticity for its country wise interpretation which will provide multifaceted credibility. This platform will also serve as a channel in bridging young career seeking professional experts of that field. This firm aims to include societal responsibility among researchers of Asia converting the lab results as field application. This association facilitates confidential research networking ruling out research barriers.

About B. B. Kishan College

Since 1978

Bagadhar Brahma Kishan College, Jalah was established on the 16th day of august, 1978 with the relentless and untiring efforts of a band of social workers to push forward the intellectual energy of the people of greater Jalah area towards a blueprint for the future. Initially started with the financial and physical support of the 'people of the region' the co-educational college of higher education was subsequently taken over the govt. Of assam under 'deficit-grant-in-aid' system in 1986.

It has also been accorded permanent affiliation by Gauhati university and recognized by UGC under 2(f) section 12 (B) of UGC act in 1990. Later, the college was affiliated to Bodoland university, Kokrajhar. The academic excellence and efforts of the college have already been assessed by the NAAC and is accredited grade 'B' in 2005 and grade 'C' in 2020. The college is located at Jalah under the Jalah development block in Chapaguri mouza of Baksa district, (BTR) assam. It owns vast and sprawling campus amidst an enthralling and screen ambience. The meditative Himalayas in the northern horizon overlooks the college while Sankardev Sishu Vidya Niketan and a Srimanta Bhagabat mandir in front of the college decorated the spiritual atmosphere of the college. The river Kaldia murmurs majestically encircling northern, southern and western sides. The back of the college, surrounded by lush green plantation, hostels, sta ffquarters, has a playground which caters to the need of the lovers of games and sports. The college, the only recognized institution of higher education in the northern most region of Baksa district (BTR), imparts teaching in four year undergraduate course (FYUCP) in arts and science stream and PG courses in Assamese and Philosophy under Bodoland University, Kokrajhar. Braving social unrest, paucity of funds, lack of basic infrastructure and academic freedom, and this institution has made out an identity of its own by sensitizing itself to new modes of teaching learning experience, continuous academic progress and greater community participation. At present the college has fifteen teaching departments at levels with a healthy 18:1 learner teacher ratio.

About GOVT. BILASA GIRLS P.G. (AUTO)COLLEGE

GOVT. BILASA GIRLS P.G. (AUTO)COLLEGE, BILASPUR was established in the year 1961. The courses run by the college have been duly approved by the University Grants Commission (UGC). The college is affiliated to Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur (C.G.) The college has adopted UGC-Model syllabi in different syllabi and is well suited for NET and various other examinations of National repute. The disciplined environment, dedicated faculty wide arena of subjects offered make it truly a "Centre of Excellence. Being recognized as the College with Potential for Excellence by the UGC, the college has greater responsibility to undertake in the field of Higher Education. The overall organizational structure, its management, infrastructure, teaching evaluation pattern counselling aspects of our institute were responsible to secure B+ Grade by National Accreditation & Academic Council (NAAC). The College has an excellent Central Library having a wide collection of books and subscribe various journals to cater the academic needs of the students and faculties. The laboratories are well equipped. Conferences and Seminars of National / Regional / State / Local levels are organized frequently to provide exposure to the students and the faculty members. Research and extension are inherent of several Post Graduate Programmes offered by the college.

About BHARGAVA Foundation for Research and Education

BHARGAVA Foundation for Research and Education is a national, professional and non profit organization with the objective of contributing to science and social science by promoting Research and Development coordination between researchers and academicians working in educational institutions.

BFFRE signed MoU with various education institutions to organize seminars, workshops, conferences and academic deliberations.
